# Picnics and Lunches

Hacienda Zuleta offers three types of delicious outdoor lunches:

## The Picnic Area

On route to the Cónдор Huasi project we have a lovely picnic area on the edge of a stream, nestled between mountains and the pre-Inca Caranqui mounds. Only two kilometers from the Hacienda, it's an ideal location to finish an active morning walking or horse-riding with a fresh-air lunch, relaxing amidst the scenery.

The area is equipped with a small bathroom and sheltered picnic tables which can accommodate up to twenty five people.

The typical menu -

Starter: Ceviche (cold soup) of palm hearts and tomatos

Main Course: Spanish tortilla or Mushroom quiche with fresh salad from our organic garden

Dessert: Caramel Flan

*\* Menus can be adjusted according to the tastes of our guests.*

## Luxury Picnics for Half and Full Day Rides

After a long ride through the stunning Andean countryside, relax and refresh with a spectacular hot lunch prepared by our talented culinary staff.

Accompanied by beautiful views of San Pablo lake or the mountain vistas of Mt Cubilche and Santa Rosa, there is no better way to enjoy Hacienda Zuleta's equestrian adventures. Please ask our staff for more information and we can tailor the menu, horses and route to your preferences. You can then return to the Hacienda by horse or car at the end of the day.

## Lunch in the Garden

Our organic garden provides us with delicious natural ingredients for our food, but is also equipped with a charming area where you can eat. Located at the back of the Hacienda, surrounded by flowers, herbs and hanging baskets, this hidden gem is perfect for lunch when the weather is good.

The menu offered is chargrilled food - succulent meat, fresh vegetables and warm breads. You can also take cooking classes here.
